**Attention: Mr. Alfred, Austria.**

Dear friends,

We understand that you are extending voluntary medical and health services for the poor, disturbed and dislocated people across the Globe. Our Organization **TUDUM DEBBA-ADIVASI HAKKULA PORATA SAMITHI** is working for the protection of the rights and for the well being of the adivasis/tribals in the tribal areas of India.

You may be aware, that due to the conflict in Chhattisgarh, a predominantly tribal state, huge tribal population dislocated due to the conflict have moved away and living in and around of khammam district of Andhra Pradesh, India. They are living in groups in make shift arrangement and are facing severe health problems.

We are extending our invitation through this letter to visit the above said areas and extend your voluntary medical treatment and health-aid for the poor and dislocated tribals. Our Organization will extend its local support for such a human cause. You may kindly inform us the probable dates of your program.

We look forward to receive your team at the earliest.

Thanks and warm regards

*R. Lakshmaiah*
